On and on, reckless abandon
Something's wrong, this is gonna shock them
Nothing to hold on to
We'll use this song to lead you on

I learned a lot today,
Not sure if I'll get laid,
Not sure if I'll fail or pass,
Kissed every girl in class

Everybody would waste it all,
To have a summer that they could call,
Memory that's full of fun,
Fucked up, when it's all done

On and on, reckless abandon
Something's wrong, this is gonna shock them
Nothing to hold on to
We'll use this song to lead you on
And break the truth with more bad news
They left a scar size extra large

Sip a drink of the alcohol,
End up kneeling in bathroom stalls
Eyes are red and my movement's slow,
Too high got vertigo
Took a shit in the bathroom tub,
Feed the dog the brownie drugs
Tried hard to not get caught,
Fucked a chick in a parking lot

On and on, reckless abandon
Somethings wrong, this is gonna shock them
Nothing to hold on to
We'll use this song to lead you on
And break the truth with more bad news
He left a scar size extra large

Break a window and bust a wall,
Making fun of your friend's mom
Turn the music up way too loud,

Charge the pizza to the house
Everybody would waste it all,
To have a summer that they could call
Memory that's full of fun,
Fucked up when it's all done

On and on, reckless abandon
Somethings wrong, this is gonna shock them
Nothing to hold on to
We'll use this song to lead you on
And break the truth with more bad news
He left a scar size extra large
