"Take Me Back"

Visit "[Take Me Back](#)" on MotoLyrics.com

Take me back to virtuality
To the stream of electricity
Back to life that's not reality, in my world
That you cannot see

Reality is to feel the floor under my feet
The light of the sun hurts like acid in my eyes
The cold wind seems to tear my skin away
I feel so lost everywhere, everywhere
I feel so lost everywhere

I have to waste time when I move
And when I search I don't find what I want and
There is no information about what I see
The people stare at me with hate in their eyes
My behaviour does not fit in here.
I don't understand. They want me to leave.
