I'm sick
Of always hearing
All those sad songs
On the radio
All day
It is there to remind
An over sensitive guy
That he's lost and alone
Yeah

I hate
A favorite restaurant
A favorite movie
Our favorite show
We would
Stay up all through the night
We would laugh and get high
And never answer the phone

I can't forgive
Can't forget
Can't give in what went wrong
'cause you said this was right
You f***ed up my life

I'm sick
Of always hearing
Sappy love songs
On the radio
This place
Its f***ing cursed and it's plagued
And I can never escape
When my heart it explodes

I can't forgive
Can't forget
Can't give in
What went wrong 'cause you said this was right
You f***ed up my life

I'm kicking

Out fiercly
At the world around me
What went wrong
I'm kicking
Out firecly
At the world around me
What went wrong
I'm kicking
Out fiercly
At the world around me
What went wrong
I'm kicking
Out fiercly
At the world around me
What went wrong
I'm kicking
