I took her out  
It was a friday night  
I wore cologne to get the feeling right

We started making out  
And she took off my pants  
But then I turned on the TV

And that's about the time she walked away from me  
Nobody likes you when you're 23  
And I'm still more amused by TV shows  
What the hell is ADD?  
My friends say I should act my age  
What's my age again? what's my age again?

But later on  
On the drive home  
I called her mom from a pay phone

I said I was the cops  
And your husbands in jail  
The state looks down on sodomy

And that's about the time that b\*tch hung up on me  
Nobody likes you when you're 23  
And I'm still more amused by prank phone calls  
What the hell is call I.D.?  
My friends say I should act my age  
What's my age again? what's my age again?

And that's about the time she walked away from me  
Nobody likes you when you're 23  
And you still act like you're in freshman year  
What the hell is wrong with me?  
My friends say I should act my age  
What's my age again? (what's my age again?)

That's about the time that she broke up with me  
No one should take themselves so seriously  
With many years ahead to fall in love  
Why would you wish down on me

I never want to act my age  
What's my age again? what's my age again?

What's my age again?
