ah.. ahh.. ahh..  
ahh.. ahh..  
ooh ooh ooh ooh ooh..

la la la.. ahh.. ahh.. ooh..  
ahh.. ooh..

once upon a time, we swore not to say goodbye  
something got a hold of us and we changed  
then you sat alone in pride  
and I sat at home and cried  
how'd our fairytale just end up this way

we went round for round til' we knocked love out  
you were laying in the ring, not making a sound  
and if that's a metaphor of you and I  
why is it so hard to say goodbye

I can't wait to hate you  
make you, pain like i do..  
still can't shake you off..  
I can't wait to break through  
these emotional changes..  
seems like such a lost cause  
I can't wait to face you,  
break you, down so low  
there's no place left to go..

I can't wait to hate you..

love is, was a love phenomenon no one could explain  
and i wish, i could press reset and feel that feeling  
again  
i sit and press rewind and watch us every night..  
wanna pause it, but i can't make it stay

round for round til' we knocked love out  
you were laying in the ring, not making a sound  
and if that's a metaphor of you and I  
why is it so hard to say g'bye

I can't wait to hate you  
make you, pain like i do..  
still can't shake you off..  
I can't wait to break through  
these emotional changes..  
seems like such a lost cause  
I can't wait to face you,  
break you, down so low  
there's no place left to go..

I can't wait to hate you..  
uh uh uh..

no need to call my phone cause I changed my number  
today  
a matter a fact, I think i'm moving away (away)  
sorry, the frustrations got me feeling awake  
and i just keep having one last thing to say  
and i just wanna hold you, touch you,  
feel you, be near you, i miss you baby baby baby..  
i'm tired of try'na fake through, but there's nothing I  
can do..  
boy I can't wait to hate you..

I can't wait to hate you  
make you, pain like i do..  
still can't shake you off..  
I can't wait to break through  
these, emotional changes..  
seems like such a lost cause  
I can't wait to face you,  
break you, down so low  
there's no place left to go..

I can't wait to hate you.. baby..

I can't wait to H.A.T.E.U.  
Cuz right now i need you  
I Can't wait to let you go
