How did I get myself into this mess?
My fingers locked in someone else's hands,
That's not the grip keeping me alive...

How stupid am I
To move onto another set of lips
When I can still feel your kiss?
How stupid am I?

Chorus:
I'm so numb
Without you
I need your touch
To get through
I can't feel the hands of anybody else on my skin
I'm so numb
Without you

I walked away from you
One too many times
Just to get on with my life
In hopes that you'd fade
Now, look at me
Trying to convince myself that someone else can make
me happy
But my heart won't beat right without your blood
To help me survive

Chorus.

Stop me
'Til I bleed
I just want to feel something
Embrace me
'Til I can't breathe
Just love me please
(Just love me please)
Just love me please
(Just love me please)

Chorus.

I'm so numb
mmmmm
