[Originally by The Youngbloods]

Darkness, Darkness  
Be my pillow  
Take my head  
And let me sleep  
In the coolness of your shadow  
In the silence of your deep

Darkness, Darkness  
Hide my yearning  
For the things I cannot be  
Keep my mind from constant turning  
Toward the things I cannot see now  
Things I cannot see now  
Things I cannot see

Darkness, darkness,  
Long and lonesome,  
Ease the day that brings me pain.  
I have felt the edge of sadness,  
I have known the depth of fear.  
Darkness, darkness, be my blanket,

Cover me with the endless night,  
Take away, take away the pain of knowing,  
Fill the emptiness of right now,  
Emptiness of right now, now, now  
Emptiness of ri-ight now.

Darkness, darkness, be my pillow,  
Take my hand, and let me sleep.  
In the coolness of your shadow,  
In the silence, the silence of your deep.  
Darkness, darkness, be my blanket,  
Cover me with the endless night,  
Take away, take away the pain of knowing  
Fill the emptiness of right now,  
Emptiness of right now now now

Emptiness of right...  
Oh yeah Oh yeah  
Emptiness, emptiness  
Oh yeah
