Fairweather friend
It took me too long to find out
What I was in for
Fairweather friend
I just can't wait for you to change your mind
And it's all right if you stay with me tonight
Until the rain passes by

I'm giving it all away
I never really held your pain
'Cause you never let me in all the way
I gave you the best of me
It's time that we both see
Maybe it's better to just let it end
Fairweather friend

How many times will you fold all your things up
Packing with subtle indifference
And all that we dreamt of was everything
Waiting, until we could leave
And it's all right
If you'll stay with me tonight
Until the rain, it passes by

I'm giving it all away
I never really held your pain
'Cause you never let me in all the way
I gave you the best of me
It's time that we both see
Maybe it's better to just let it end
Fairweather friend

I'm growing old waiting for you to come around
I'm breaking down

You're taking it all away
I never had the time to say
Leave it all behind us
And never be the same

I'm giving it all away

I never really held your pain
'Cause you never let me in all the way
I gave you the best of me (I gave you the best of me)
It's time that we both see
(Maybe it's better)
To just walk away
(I'm leaving it all behind)
Maybe it's better to just let it end
Fairweather friend
