I've got a picture  
Right here in my head  
I just haven't seen you yet  
And I've got a feelin'  
That you're right around the corner  
I just don't wanna turn the wrong way on the right day  
You're just out of reach  
I'm hoping that you'll walk my way

I bet you're beautiful  
I bet you're lookin' for me  
I bet you're waitin'  
I bet you're waitin' for the day that we meet  
I bet you're beautiful  
I bet you're beautiful

You could be closer  
Than I ever realized  
Or a thousand miles away  
You're like a star that no one's found  
It's like I'm chasing you  
Just waiting for you to turn around

Well, I bet you're beautiful  
I bet you're lookin' for me  
I bet you're waitin'  
I bet you're waitin' for the day that we meet  
I bet you're beautiful

I bet you're laughin' at a joke that I haven't even told  
I bet you always have the right thing to say  
I know that I'll find you someday

I bet you're beautiful  
I bet you're lookin' for me  
I bet you're waitin'  
I bet you're waitin' for the day that we meet  
I bet you're beautiful

I bet you're smilin'  
I wish you were smilin' at me

I bet you're waitin'  
I bet you're waitin' for the day that we meet  
I bet you're beautiful  
I bet you're beautiful
