You're like a vortex  
Eeee!  
You're like a vortex  
Eeee!

You're like a vortex  
Eeee!

You got my mind spinning, turning  
Disoriented and churning  
Yearning for more  
Came like a storm without warning  
I didn't even had time to hit the floor.  
Before I could think what to do  
You destroyed everything you wanted to.  
Came like a storm without warning  
Disoriented and churning  
Yearning for more

You're like a vortex spinning round and round  
Nothing but mayhem when you touch the ground  
You won't leave 'till there's nothing but heartbreak

I think you're going one way and you switch directions,  
All these lies I've built up a collection  
I try to slip away, but then comes blinding affection,  
yeah!  
And I try to pick up the pieces  
To rebuild when you're leaving  
It's a sick addiction with no rhyme or reason  
And it's got a hold on me

You're like a vortex spinning round and round  
Nothing but mayhem when you touch the ground  
You're like a, you're like a vortex...

You're like a vortex spinning round and round  
Nothing but mayhem when you touch the ground  
You won't leave 'till there's nothing but heartbreak

You're like a vortex spinning round and round

Nothing but mayhem when you touch the ground  
You're like a storm without warning,  
Like a storm without warning, yeah yeah  
Like a storm without warning  
Like a storm without warning  
Like a storm without warning  
Like a storm without warning
