I say goodnight to an everlasting love that's mine  
The one that I've been waiting for  
I can't deny the way I feel when I am lying by your side  
It's a rendez-vous for love

A lover's smile comes across your face as you look in  
my eyes  
It's just as sweet as the rain upon my door  
Only a touch lets me know that I'm forever in your mind  
It's a rendez-vous for love

It's a rendez-vous for love, you and me, yeah  
Name the time and place my boy  
I said, in the park, shall we meet?

It's a rendez-vous for love, you're my sweet baby  
Baby, you're all I've been waiting for  
From the start, come with me

Here we are, finally we're face to face with no regrets  
Sharing all that we've ever had to give  
Just a moment more and we'll be riding high on the  
wings of ecstasy  
It's a rendez-vous for love

It's a rendez-vous for love, you and me  
Name the time and place my boy  
In the park, shall we meet?

It's a rendez-vous for love, you're my sweet baby  
Baby, you're all I've been waiting for  
From the start, come with me

I've got something to say baby, baby  
Why don't you come on tonight, come on?  
It is the rendez-vous that makes me go to you  
Don't wanna say good night to my baby

Won't you come on with me, baby?  
And we'll be alone, come on home, yeah  
You're my sweet, won't you?

It's been so long that I been waiting for you  
Anticipating for you

[Incomprehensible]  
I want you to come and be with me, oh yeah
