Another warm and lonely sunday
Bare feet just walkin' in the grass
I found my heart lyin' just beneath the flowers
That's when I knew a time had past

Just like they said, everything ends
Just like they said, just like you said

Been around the world and back again man
You just don't know how hard it's been
After all that's been said and alone
I'm hopin' we can all just still be friends

After all that's been said and alone
Be friends

This is the end, this is the end
(aah)
My only friend, the end
(aah)
This is the end, this is the end
This is the end
This is the end

Alright boys and girls, thanks for coming out tonight
We sure do appreciate you havin' a good time with us,
The Omge
From now until next time we meet up again
Be happy, be safe, communicate

This is the end, this is the end
(aah)
My only friend, the end
(aah)
This is the end, this is the end
This is the end

After all that's been said and alone
Let's still be friends
That's it

Another warm and lonely sunday
Sunday
It was a warm and lonely sunday
It was a good day
