I turn on the TV
It doesn't speak too much to me
So I go to the radio

Turn it back around
Turn it back around
Turn it back around

I have an uncle named Joe
Who don't know
What his name is
Anymore
His name is Joe (my name is Joe)
Hey uncle Joe
What do you know
Would you like to watch a show
On the TV
With me
Uncle Joe

Turn it back around
(Back the way it was)
Turn it back around
(Back the way it was)
Turn it back around
(Back the way it was)
Turn - it back - around
(Turn it back, turn it back)
(Turn it back, turn it back)

Hey uncle Joe
Hey uncle Joe
Yes
What's goin'on in there
Well you know
I'm old

I'll play drums
You'll play that geetar
He'll play the geetar too
With you
I'll sing and you'll sing

We'll all sing
With no TV or radio
Here we go
Uncle Joe

Turn it back around
(Back the way it was)
Turn it back around
(Turn it back, turn it back)
(Back the way it was)
