Verse 1:

Blind sheep in South America
Riding through the green green grass
Watching all the forests
Girl! My life's a mess.

Refrain:

Ride on! Blind sheep!
Ride until you see!
Ride on! Wild sheep!
Ride until you're free

Verse 2:

I was sitting on a lonely island
and teardrops in my eyes.
I have lost all my wool,
but freedom is the prize.

Verse 3:

Last day on the rodeo
a cowboy knocked me down.
Now I am the "king of sheeps"
and blindness is my crown

Bridge:

Yippie-ey-yeh
Yippie-ey-yoh
Blind sheep, ya gotta go!
Yippie-ey-yeh
Yippie-ey-yoh
For ya freedom ya gotta go!

Refrain til fade
