They told me they knew how I felt but they were never
there when I needed them
I wonder if after today I'll ever have a chance to see
them again
As their words echo through my thoughts
I gaze down at the space of an empty lot
I've lost everything
But sometimes you've got to

[Chorus]
Look down
(My escape from this place)
Look down
(I take my leap of faith)
Look down
(As the city fades)
Look down
(Towards the ground)

Emptiness brings me to the end
Is there anyone out there?
Does anyone care?
To hold me down
For one last time
To show me love
But sometimes you've got to

[Chorus]

I'm desperate for you
All I see are my own tears
I'm desperate for you
All I hear is your laugh in my ears
I'm desperate for you
Even though my heart can't escape this fate
I'm desperate for you
Everyday I long to see your face

Broken down
As my heart falls to the ground
I'm falling down

But sometimes you've got to...

[Chorus x2]
