Amarilli mia bella. Non credio del mio core dolce desio,
d'esser tu l'amore mio my heart is strangled by your
name I tell you i love you- you turn away. How can you
not believe me? You hunt me still. Shoot me with
barbed arrows; when you've found me felled, rip open
my chest- there mu heart beats for you. It screams for
you. Credilo pur e se timor t'assale. Prendi questo mio
strale. Aprimi il peite e vedrai scritto il core. My heart
beats for you. Screams for you. Your name is forever
branded accross my chest. Still you doubt me, you
imagine love will fail you. Look at me, bleeding before
you; screaming before you. Your name is engraves in
me, don't let these dark fears assaile you. My heart
beats for you. Amarilli... amarilli e il mio amore. And
you look at me, reduced to nothing at your feet. I'm
bleeding before you. I'm screaming before you. Your
name is engraves, my heart beats for you. How can you
not believe me? Rip open my chest. My heart beats for
you. It screams for you.
