Lead and the will follow. Minless to the path they walk;
pain they cause. Eager for approval, can they be set
loose? Fre of mind and action. Faceless adherents
looking for acceptance, your words shape thei will,
their thoughts. Disciples do your biddind. A word from
you would set them free. Give them back their lives.
Break the chains that bind, restricting movements,
thoughts cnfined. You have a voice, you have the right
to speak our ming. Igniting hatred which consumes the
elitist factions. Segregating groups creating masses.
Yake your lackeys elsewhere, this scene was meant for
open minds.
