Get, get, get, get, get, get the f\*ck out of my life

Listen baby, I better let you home  
I guess my Cupid is always wrong  
Pack your bags, go out the door  
See I'm not stupid, there ain't a cure

I want you to care about me  
You don't care, you wanna be free  
So go  
What you gonna do, beg and pray  
What you gonna do, it ain't no way  
What you gonna do, it's all a lie  
Get, get, get, get, get, get the f\*ck out of my life

Get, get, get, get, get, get the f\*ck out of my life  
Get, get, get, get, get, get the f\*ck out of my life  
Get, get, get, get, get... get the f\*ck out of my life

You had me me baby, don't waste my time  
You can't treat a lady, you ain't worth the time  
So little prick, you better run  
Sweet days are over, I'm glad I ain't got a gun

I want you to care about me  
You don't care, you wanna be free  
So go  
What you gonna do, beg and pray  
What you gonna do, ain't no way  
What you gonna do, it's all a lie  
Get, get, get, get, get, get the f\*ck out of my life

Get, get, get, get, get, get the f\*ck out of my life  
Get, get, get, get, get, get the f\*ck out of my life  
Get, get, get, get, get... get the f\*ck out of my life

What you gonna do, beg and pray  
What you gonna do, it ain't no way  
What you gonna do, it's all a lie  
Now get the f\*ck out  
What you gonna do, beg and pray

What you gonna do, ain't no way  
What you gonna do, it's all a lie  
Get, get, get, get, get, get the f\*ck out of my life

Get, get, get, get, get, get the f\*ck out of my life  
Get, get, get, get, get, get the f\*ck out of my life  
Get, get, get, get, get... get the f\*ck out of my life
