I went out walkin to Cripple town
My crutch hit the floor with a bony sound
Now all the girls, they go beep beep beep
How can I love ya when you're so cheap?

Turn me on - Turn me on - Turn me on
Don't be long - Don't be long - Don't be long

C'mon
Bring her down, bring her down, bring her down
C'mon
See the wonders around you baby
C'mon
Bring her down, bring her down, bring her down
C'mon
See the wonders around you baby

Now everybody gather in the square
To twist their fingers in my hair
They hang around like a serpentine
And try to speak like a Frankenstein

Turn me on - Turn me on - Turn me on
Don't be long - Don't be long - Don't be long

C'mon
Bring her down, bring her down, bring her down
C'mon
See the wonders around you baby
C'mon
Bring her down, bring her down, bring her down
C'mon
See the wonders around you baby

The children come all dressed in black
One foot forward the other back
They splash around in a muddy hole
While everybody crying they got no soul

Turn me on - Turn me on - Turn me on
Don't be long - Don't be long - Don't be long

C'mon
Bring her down, bring her down, bring her down
C'mon
See the wonders around you baby
C'mon
Bring her down, bring her down, bring her down
C'mon
See the wonders around you baby
