oh) hell on earth  
for what its worth  
dead on dreaming  
you strted screaming  
the wizard of how  
the king of now  
cry like a banshee  
and die like you want me  
Vialotor(hey)  
Desacrator(hey)  
Turn around and meet the harter  
Vialator  
Desacrater  
turn around and...  
Demonoid Phenomenon  
get it out get it on  
Demonoid Phenomenon  
Get it out Get it on  
Oh the conquering worm  
the slithering germ  
lost in the black sleep

i see how the gods weep

the horror of madness

the terminal sadness

the cool air of mourning

gave me that warning

Violator

Desacrator

turn around and meet the hater

Vialtor

Desacrator

turn around and...

(enjoy that dead girls body)

Demonoid Phenomenon

Get it out get it on

Demonoid Phenomenon

Get it out Get it on
