"Feel So Numb"

I feel so good, I feel so numb, yeah!

Mud-bath acrobat a midnight drive

Everybody slipping everybody survive

Radio talk show try to project

Everything you need when you got to connect

Come on, come on, come on

You feel it

Come on, come on, come on

You see it

Come on, come on, come on

You wanna make it alright

Come on, come on, come on

You feel it

Come on, come on, come on

You see it

Come on, come on, come on

You wanna make it alright

Blacken the sun - what have I done?

I feel so bad - I feel so numb, yeah!

Blacken the sun - what have I done?

I feel so good - I feel so numb, yeah!

Sugar sweet brainiac on your neck

Out in tomorrow, man I gotta reflect

Blue world, green girl up in a stream

Gotta wake it up 'cause I don't wanna dream

Come on, come on, come on

You feel it

Come on, come on, come on

You see it

Come on, come on, come on

You wanna make it alright

Come on, come on, come on

You feel it

Come on, come on, come on

You see it

Come on, come on, come on

You wanna make it alright

Blacken the sun - what have I done?

I feel so bad - I feel so numb, yeah!

Blacken the sun - what have I done?

I feel so good - I feel so numb, yeah!

Django drag a coffin nail across your back

Everybody want it gotta take you back

Brain trash, porn flash, what is why?

Look into forever, revolution eye

Come on, come on, come on

You wanna make it alright

Come on, come on, come on
