Mud bath, acrobat, a midnight drive
everybody's slippin everybody survive
radio talk show try to project
everything you need when you gotta connect
blacken the sun!
what have i done?
i feel so bad i feel so numb yeah!
blacken the sun!
what have i done?
i feel so good i feel so numb yeah!
Sugar sweet braniac on your neck
get in to tomorrow man I gotta reflect
a blue world dream girl up the street
gotta wake her up cause I don't want her to dream
blacken the sun!
what have i done?
i feel so bad i feel so numb yeah!
blacken the sun!
what have i done?
i feel so good i feel so numb yeah!
Jingle jangle comin gonna crush your back

well everybody want it gotta take it back

rain trash porn slash what is why

look into forever revolutionize

blacken the sun!

what have i done?

i feel so bad i feel so numb yeah!

blacken the sun!

what have i done?

i feel so good i feel so numb yeah
