Sometimes the wicked ones

????????? the mortal sting

I am the only one

?Across the dreary plane?

?I am watching?

Across the crucified

So few are chosen

I do not die

????????? horrified

And seat yourself a ride

Get out of your denial

A genius of the night

And I am watching

Across the crucified

So few are chosen

I do not die

In the hands of death

Burn baby burn

In the hands of death

Burn baby burn

In the hands of death

Burn baby burn  
They creep and crawl inside  
Into the heart of cold  
So dead and paralyzed  
Perversion of the soul  
I am watching  
Across the crucified  
So few are chosen  
I do not die  
In the hands of death  
Burn baby burn  
In the hands of death  
Burn baby burn  
In the hands of death  
Burn baby burn
