She got a corpse under her bed
She had her fun but now he's dead
Her momma said come feed desire
Her brother said hey, throw him on the fire

This is the house
Come on in
This is the house
Built on sin
This is the house
Nobody lives
This is the house
You get what you give

I cut the flesh and make it bleed
Fresh skin is what I need
I let it dry out in the wood
And all your crying did no good, yeah

This is the house
Come on in
This is the house
Built on sin
This is the house
Nobody lives
This is the house
You get what you give

Now you're lying on the floor
Yeah, you ca'nt take anymore
The Devil's laughing in your face
Give me another taste, yeah

This is the house
Come on in
This is the house
Built on sin
This is the house
Nobody lives
This is the house
You get what you give
