Who is this irresistible creature who has an  
insatiable love for the dead?

Living Dead Girl

(whispers)What are you thinking about

Rage in the cage And

piss upon the stages

There's only one sure way

To bring the

GIANT DOWN!

Defunct the strings Of cemetery things

With one flat foot On the

DEVIL'S, WING

Crawl on me Sink into me Die for me Living Dead Girl

Crawl on me Sink into me Die for me Living Dead Girl

(whispers) What are you thinking about

Raping the geek And hustling the freak

Like a hunchback juice On a sentimental,

NOOSE

Operation filth They love to love the wealth

Of an SS Whore Making scary sounds

Crawl on me Sink into me Die for me Living Dead Girl

Crawl on me Sink into me Die for me Living Dead Girl

(moaning in a satanic way while shaking your demonic head)

(whispers) What are you thinking about

Psyclone Jack Hallucinating Hack

Thinks Donna Reed Eats dollar bills

Goldfoot machine Creates another fiend

So Beautiful, They make you,

KILL

Crawl on me Sink into me Die for me Living Dead Girl

Crawl on me Sink into me Die for me Living Dead Girl

Blood on her skin

Dripping with Sin

Do it again Living Dead Girl

Blood on her skin

Dripping with Sin

Do it again Living Dead Girl
