Shape shifting high and a haunting eye,

Falling plastic and paper demons!

No trace of time, I'm branded sly

I am you ghostmaster baby free me!

All you know, is alone

You see a Phantom Stranger!

All you know, is alone

You see a Phantom Stranger!

My sinister sounds sweeo the grounds

Still-born I lie beneath it

I throw it away the freaks all stay

Deformed and laughing, screaming!

All you know, is alone

You see a Phantom Stranger!

All you know, is alone

You love my Phantom Stranger!

A wretched heart in the dark decay, dominate forver...

Destroy the things you and see if I remember

All you know, is alone

You see a Phantom Stranger!

Down you go, all alone

You love my Phantom Stranger
