Scum of the Earth come on!

Yeah,

Run and Kill,

Destroy the Will.

A Hero that doesnt exist yeah!

Smokin Gun,

Well I am the One,

A Bullet hole in your fist yeah!

(Chorus)

I'm breathing,

I'm Bleeding,

I'm Screaming.

Scum of the Earth, come on!

(Repeat Chorus)

Yeah,

Wake up Dead,

Bleeding Red.

A World that doesnt exist Yeah!

Heaven Waits,

With the Gates,

Rusting in the Mist Yeah!

Yeah!!!

(Chorus x2)

Go, Go, Go, Go, Go, Go.

Go, Go, Go, Go, Go, Go.

Yeah,

Run and Kill,

Destroy the Will.

A Hero that doesn't exist yeah!

Smokin Gun,

Well I am the One,

A Bullet hole in your fist yeah!

(Chorus x2)

Hey, Hey, Hey, Hey, Hey, Hey.

Scum of the Earth!

Hey, Hey, Hey, Hey, Hey, Hey.

Scum of the Earth!

Hey, Hey, Hey, Hey, Hey, Hey.

Scum of the Earth!

Hey, Hey, Hey, Hey, Hey, Hey.

Scum of the Earth
