Insane Blue at the man inn

Cut the lights and pray that you're dead

Opium dreams through the seven dials

And feel the pillow over your head

Racheal hide from Ned the crow

Keen eye on the peelers

Experiment 53

And no scratch for the dealers

She wants some more

Sweet Rosa whore

I say hell is love

You say I must suffer

She's a motherfucker

Ressurrect me

Sleep well in your killing bed

Give a jig and show some life

Favor for a favor

Don't seperate the pain from the knife

All the doctors sing

You got to suffer for the cure

As the world fades away

You wonder where you are

She wants some more

Sweet Rosa whore

She wants some more

Sweet Rosa whore

I say hell is love

You say I must suffer

She's a motherfucker

Ressurrect me

I say hell is love

You say I must suffer

She's a motherfucker

Ressurrect me

She wants some more

Sweet Rosa whore

She wants some more

Sweet Rosa whore

I say hell is love

You say I must suffer

She's a motherfucker

Ressurrect me

I say hell is love

You say I must suffer

She's a motherfucker

Ressurrect me
