Creature of the wheel trigger wicked way

Tangle like a web beneath me!

Ankle-deep in hell through another way

Crucify the sky above me!

[above me! above me! above me! above me! above me!  
me! above me! above me!]

New God kill machine and man

Say Lord of the engines - Yeah!

[Pocket full of dirt frozen in my hands

Hold on to the nameless god - yeah!

Breathe into the deep and dying light of day

Overdose on bloody wings, yeah...]

Splinter in the skin turn your eyes away -

Sick and swaggering beneath me! [beneath me!]

Revolution mind ye of little faith

Rusty and dull -- cut me!

[cut me! cut me! cut me! cut me! cut me! cut me! cut me!  
me! cut me!]

New God kill machine and man

Say Lord of the engines - Yeah!

(Creature of the wheel [NO!!!] Lord of the infernal engines

Creature of the wheel [NO!!!] Lord of the infernal engines)

[New God, New God, New God, New God, New God,  
New God, New God, New God,]

New God kill machine and man

Say Lord of the engines - Yeah!

(And O' brothers and sisters, I ask you to look at him.

Does he have the marks? Do you see them? [NO!!]

And O' brothers and sisters, I ask you to look at him.

Does he have the marks? Do you see them? [NO!!])

[Demon-paper clowns stitched across my back

Easygoing dead black eyes, yeah

Microscopic giants on a chicken-run

Everybody dies laughing!]

Thrust into the drag on the edge and wait

Motivate the one inside you [inside you]

Bastard kicker burn blow the ash away

Heldorado gonna get you!

[get you! get you! get you! get you! get you! get you!  
get you! get you!]

(creatures of the wheel [NO!!]

Do we need the creatures of the wheel? [NO!!]

Lord of the infernal engines
