We all go down for the sacrificial moment

Crucifixion nails stain the bed of the holy.

Space thing blues diamond studded - sugar coated

Well, I am hell a miracle overloading

Chorus: Turn me on yeah Electric head - all over Turn
me on yeah Electric head - all

over We all go down for the God of the moment Super
demon seed running wild and

below and

Head trip news turn a trick to the flow and

Sugarland Express what you know and Get inside get in
there

Evil in your eyes baby I don't care

Get inside get in there See the flesh falling everywhere

Chorus Get inside get in there

Evil in your eyes baby I don't care

Get inside get in there

See the flesh falling everywhere

Chorus We all go down for a piece of the moment

Watch another burn to the death to the core

And the roadshow thrills pack the freaks and the
phonies

Sing: now is now, yeah!

All I ever wanted Chorus
