moaning

Yeah, i am the astro-creep,

a demolition style hell american freak - yeah

i am the crawling dead,

a phantom in a box, shadow in your head - say

acid suicide - freedom of the blast,

read the fucker lies - yeah

scratch off the broken skin,

tear into my heart,

make me do it again

yeah, yeah, yeah, yeah, yeah-

more human than human

more human than human

more human than human

more human than human

more human than human

more human than human

yeah, i am the jigsaw man

i turn the world around with a skeleton hand - say

i am electric head,

a cannibal core,

a television said - yeah

do not victimize,

read the motherfucker-psychoholic lies - yeah

into a psychic war,

i tear my soul apart and i eat it some more

yeah, yeah, yeah, yeah, yeah-

more human than human

more human than human

more human than human

more human than human

more human than human

more human than human

yeah, i am the ripper man,

a locomotion mind,

love american style -yeah

i am the nexus one,

i want more life,

fucker i ain't done - yeah

more human than human

more human than human

more human than human

more human than human

more human than human

more human than human

more human than human

more human than human
