(Yeah, I remember her saying:  
"I'm already dead... I'm already dead... I'm already  
dead...  
I'm already dead... I'm already dead... I'm already  
dead...  
I'm already dead... I'm already dead... I'm already  
dead..."  
Well, today I want you each to stand up and hold your  
hands  
"I'm already dead... I'm already dead... I'm already  
dead..."  
in some stupid seance. You're going to get up and  
scream.  
"I'm already dead... I'm already dead... I'm already  
dead..."  
You're going to get up and-  
burn an "X" in your head.)  
Who will survive and what will be left of them?  
Apocalyptic dreams see the ordinary madness  
Who will survive and what will be left of them?  
I never lock the dogs when the wolf is in the darkness

Come on - come on the motherfucker's on fire  
He cut through the bone, he cut through the wire!  
Come on - come on the motherfucker's on fire  
He cut through the bone, he cut through the wire!

Yeah - yeah - yeah - yeah

Who will survive and what will be left of them?  
Into another world number nine bring the death in  
Who will survive and what will be left of them?  
Loser take it all - getting high on the kick in

Yeah - yeah - yeah - yeah

Who will survive and what will be left of them?  
Got 24 hours of psychoholic magic  
Who will survive and what will be left of them?  
Illuminate the face and the eye of the serpent

Come on - come on the motherfucker's on fire  
He cut through the bone, he cut through the wire!  
Come on - come on the motherfucker's on fire  
He cut through the bone, he cut through the wire!

Yeah - yeah - yeah - yeah

(I just couldn't make you feel. Oh, yes lord, I can feel,  
yes lord,  
yes lord, hallelujah! Oh lord, I feel your victory, lord.  
I feel you with me lord, hallelujah!)  
(Are you hurting anyone? Can you feel my heart  
beating, now?)

[I keep it close, I watch this heart of mine  
I walk the line, I walk the line]

I'm already dead... I'm already dead... I'm already  
dead...  
I'm already dead... I'm already dead... I'm already  
dead...  
I'm already dead... I'm already dead...

Come on - come on the mutherfucker's on fire  
He cut through the bone, he cut through the wire!  
Come on - come on the mutherfucker's on fire  
He cut through the bone, he cut through the wire!

Yeah - yeah - yeah - yeah

(I just couldn't make you feel. Oh, yes lord, I can feel,  
yes lord, yes lord, hallelujah! Oh lord, I feel your  
victory, lord.  
I feel you with me lord, hallelujah!)  
(Are you hurting anyone? Can you feel my heart  
beating, now?  
Do you feel like hurting anybody else?  
Do you feel like hurting anybody else?)  
(Why should I hurt anybody else? Hallelujah!)
