Leatherneck'n down the street like  
"Hey I'm joyrid'n" Like a bad dog  
- come on "Burn in!" X 2 Demon got  
my soul and I said "Drive!" Come on -  
speed kills - but I'm alive yeah! In my  
Durango 95 Yeah! Casino on the  
edge she move like a twister gravity  
crank - solo my sista - Come on - She  
said "Take me away" Away Away  
Shout! I'm deadly on the eyes an  
astro-spyder, baby-A powertripp'n  
NO - NO - NO - Maybe? Come on -  
Angel trumpets again yeah!  
Motherfucker scream "horrorshow"  
time a diamond ass right on my line  
Come on - She said "Take me away"  
Away Away Yeah! Burning like fat in the fire the smell  
of red, red groove screamed mega-flow - A stalking  
ground without prey - a flash of superstition  
whimpering like a crippled animal - Dogs of the Soul-  
Crusher - Pulling closer like the blue steel jaws of hell -

Digg'n in my heart I find a human generator - Duke of

N.Y. See Yeah! Eliminator all you need is love - Yeah!  
Like

a cool and crazy freak machine she twanged off and

out like I never seen - I gonna take her - take her

down, down, down watch out! Shack'n out in my skin -

flesh 'n' waves they begin - I going out like a holiday

(Shout It!) Then my mind generate a weepy young "D"  
to

terminate - Takin' a trip - I said, "Straight to hell"

(Shout It!) Real country dark the street - hog the road -

swamp the beat - She gonna know just what I mean -

yeah! Trip back on the serpent move Z-man slowly  
bang

the groove - Takin' a trip - "A real kick" to hell (Shout It!)

Think'n that when she die - spirit go up to the sky - Devil

come a stepp'n-brainiac a look'n below - yeah! (Shout It
