Go, go, go, go, go

It's a Holy Ghost party and I came to get it started

It's a Holy Ghost party and I came to get it started

CHORUS

Tired of being stuck, gone give it up

He'll supply your every need, get ready for His love

I'm in to getting blessed, tired of being stuck

Come give Him that love and throw that praise up

Tired of being stuck, gone give it up

He'll supply your every need, get ready for His love

I'm in to getting blessed, tired of being stuck

Come give Him that love and throw that praise up

LEAD

When the Lord's out front, you gotta live in love,

Better learn to turn ya cheek, you won't act up.

Hear the word I get faith, when going gets ruff

You live to serve, then ain't no giving up

Homey ain't nothing changed, devils down Jesus
up

Ya life going down man put that weed up

So I let my light shine, when you hear this

You know that I'm sent, been hit with a few things

But I know where I been

Doesn't matter what they say, if they like it or not,

It's God plan homey, I'm taking my spot

Religious folk talking saying "Pastor you loco"

My plan is to warn the world so that they don't go

Down to the pit wit money on they mind

They can cry Lord forgive me, they all out of time

Devil saying "I stole ya soul, I bought it with cash

Fooled so many people boy they thought it would

last"

CHORUS

Tired of being stuck, gone give it up

He'll supply your every need, get ready for His love

I'm in to getting blessed, tired of being stuck

Come give Him that love and throw that praise up

Tired of being stuck, gone give it up
Heâ€™™ Il supply your every need, get ready for His love
lâ€™™ m in to getting blessed, tired of being stuck
Come give Him that love and throw that praise up

Tired of being stuck, gone give it up
Heâ€™™ Il supply your every need, get ready for His love
lâ€™™ m in to getting blessed, tired of being stuck
Come give Him that love and throw that praise up

Tired of being stuck, gone give it up
Heâ€™™ Il supply your every need, get ready for His love
lâ€™™ m in to getting blessed, tired of being stuck
Come give Him that love and throw that praise up

BREAK

Father, Son, Holy Ghost who save my soul,
Thatâ€™™ s who what cleansed me from my sins
No cribs, no cars, no clothes, no jewels
Man none of that made me; lâ€™™ m glad that I changed

And now lâ€™™ m happy, I celebrate it
I never couldâ€™™ ve done it, but with Jesus I made it
You gotta be a star to live the good life
Make God number 1 everything will be right

Remember them days when doors got closed
When people said no, now I see them at my show
So many people just canâ€™™ t believe it
Last time they saw Pastor he was preaching,
But for the Kingdom more souls lâ€™™ m reaching
Give God the glory man itâ€™™ s my season,
Yeah I know you canâ€™™ t believe it,
Yeah cause itâ€™™ s my season

Tired of being stuck, gone give it up
Heâ€™™ Il supply your every need, get ready for His love
lâ€™™ m in to getting blessed, tired of being stuck
Come give Him that love and throw that praise up

Tired of being stuck, gone give it up
Heâ€™™ Il supply your every need, get ready for His love
lâ€™™ m in to getting blessed, tired of being stuck
Come give Him that love and throw that praise up

Tired of being stuck, gone give it up
Heâ€™™ Il supply your every need, get ready for His love
lâ€™™ m in to getting blessed, tired of being stuck
Come give Him that love and throw that praise up

(Chorus1 more time) endâ€¦
