O-a-o

O-a-o

O-a-o

O-a-o

O-a-o

Na ladoshkah nieba pliashut ablaka
V dome zapah hleba i parnova malaka
Kak ana prekrasna - milaya ziemlya
Lyotsa nasha pesnia
My adna semya!

O-a-o, tol'ka vmeste my bal'shaya sila
O-a-o, nie razlei vada
O-a-o, shtoby radost v sertse nie astyla
O-a-o, riadam ty i ya!

Mir takoi krasivyi, raduzhny tsveta
Byts vseгда schaslivym yest' u kazhdava mechta
Tonkimi ruchyami shiraka reka
Budem zhe druzyami
Vot maya ruka!

O-a-o, tol'ka vmeste my bal'shaya sila
O-a-o, nie razlei vada
O-a-o, shtoby radost v sertse nie astyla
O-a-o, riadam ty i ya!

My mnogae smozhem, kagda budem vmeste!
Davaite umnozhim i smeh i ulybki i pesni!

O-a-o, tol'ka vmeste my bal'shaya sila
O-a-o, nie razlei vada
O-a-o, shtoby radost v sertse nie astyla
O-a-o, riadam ty i ya!
