King
Don King
Burger King
Lion King
What
Our King
Martin King
A shadow of love
I'm no sucker baby
I'm feeling fine

I'm no sucker baby
I'm feeling fine
Now, you can take the signs
And you can riddle the airwaves
But I'm looking at the signs

They say were fucking the poor hey
But the poor got the numbers
It's all in the numbers
The numbers sink the ship

I'm no sucker baby
I'm feeling fine
I'm no sucker baby
I'm feeling fine
All the kings they'll never change
But light will change

And I will change myself
Join me for a better day not yesterday it's gone
Join me for a better day with no revolvers

I'm no sucker baby
I'm feeling fine
I'm no sucker baby
I'm feeling fine
Take him to the guillotine
And light will change

And I will change my kin to raise

No time to bow
Let me see your ugly crown
I've got molten lava, instead of lead

To burn a symbol in your head
Born rich stay rich
On top of your head
A poor killer to the people you've bled

A pure killer to the people you've bled
Take that shit off your head
