You think you're choosing  
But your problem  
Is the pace at which you're moving  
I've got my living  
You've got your prison

I want my living  
One more time  
And all the shapes are odd to me  
I've got a new disease  
Come take this pain from me

Can't paint a psycho  
Robotic bible  
I'm feeling psycho  
Killing time  
They're killing babies  
I'm feeling crazy  
So I said maybe

It's time to fight  
And all the shapes are odd to me  
I've got a new disease  
Come take this pain from me  
Our time to rise

Hatred condemn me  
Fuck you, you liar  
Can't be a victim  
There's something missing  
My hallelujah is screaming high  
Listen listen

Here's what you're missing  
Your kissing kissing  
Of love and life  
And all the shapes are odd to me  
I've got a new disease

Come take this pain from me  
Our time to rise

Hatred, illusions, naked desire  
Long before we die  
Long before we die
