"Transfer"

Don't see anything but a woman and a lonely man
All my pleasures, phony treasures in front of me
Transfer me to all new places

Honestly, I want to go
Call me innocent, I'm innocent I swear
Try me 'cause in a sense I'm innocent I swear

I'm tall, living in a swamp, angry and appalled
You're driving me crazy
I'm tripping and I fall
I fall to the ground
Hit my head on the wall

It's tragic I'm falling, save me
Transfer me to all new places
Honestly, I want to go
I'm looking good, forward in conversations

Honestly, when in Rome, I can't even see the mirror
I'm all ready gone
Transfer me
I'm falling faster, you better be dancing

I'm feeling really good, yeah I'm doing the transfer
Want to dance, shake, rock and roll
Toss all the rules aside, and make the melody

Proud of me
Transfer me to all new places
Honestly I want to go
I'm looking good, forward in conversations

Honestly, when in Rome, I can't even see the mirror
I'm already gone
Transfer me
Ooh ee ahh ee ahh
Who knew it's voodoo

Ooh ee ahh ee ahh
Oh no it's all in my dreams

Yow yeah
Who knew it's voodoo
I don't know, gotta get the hell out of here

Oh no it's all a machine
Wake and rise, or good night
Waiting, needing, cover, feeling
I'm looking good, forward in conversations

Honestly, when in Rome, I can't see the mirror
I'm already gone
Transfer me
