Nothing's so loud  
As hearing when we lie  
The truth is not kind  
And you've said, "Neither am I"

And the air outside so soft  
Is saying everything, everything

All I want is to feel this way  
To be this close, to feel the same  
All I want is to feel this way  
The evening speaks, I feel it say

Nothing's so cold  
As closing the heart when all we need  
Is to free the soul  
But we wouldn't be that brave I know

And the air outside so soft  
Confessing everything, everything

All I want is to feel this way  
To be this close, to feel the same  
All I want is to feel this way  
The evening speaks, I feel it say

And it won't matter now  
And whatever happens to me  
Though the air speaks of all we'll never be  
It won't trouble me

All I want is to feel this way  
To be this close, to feel the same  
All I want is to feel this way  
The evening speaks, I feel it say

And it feels so close  
Let it take me in  
Let it hold me so  
I can feel it say
