I know what you're doing, I see it all to clear
I only taste the saline when I kiss away your tears
You really had me going, wishing on a star
But the black holes that surround you are heavier by far

I believed in your confusion, you were so completely
torn
Well it must have been that yesterday was the day that
I was born
There's not much to examine, there's nothing left to
hide
You really can't be serious if you have to ask me why

I say good-bye...

'Cause I am barely breathing
And I can't find the air
I don't know who I'm kidding
Imagining you care
And I could stand here waiting
A fool for another day
But I don't suppose it's worth the price, worth the
price
The price that I would pay

Everyone keeps asking, what's it all about?
I used to be so certain and I can't figure out
What is this attraction? I only feel the pain
There's nothing left to reason and only you to blame
Will it ever change?

'Cause I am barely breathing
And I can't find the air
I don't know who I'm kidding
Imagining you care
And I could stand here waiting
A fool for another day
But I don't suppose it's worth the price, worth the
price
The price that I would pay
But I'm thinking it over anyway...

Iâ€™ve come to find
I may never know
Your changing mind
Is it friend or foe?

I rise above
Or sink below
With every time
You come and go
Please donâ€™t come and go

â€™Cause I am barely breathing
And I canâ€™t find the air
I donâ€™t know who Iâ€™m kidding
Imagining you care
And I could stand here waiting
A fool for another day
But I donâ€™t suppose itâ€™s worth the price, worth the
price
The price that I would pay

But Iâ€™m thinking it over anyway...
I'm thinking it over anyway

I know what you're doing
I see it all too clear
