Something rushes over me
And I find myself standing here
Lift my eyes up to the sky
And offer a silent prayer

Sometime all the shouting stops
And the restlessness loses hold
I cry out to everything
That nothing is alone

If the winter won't turn me
Then the summer can't burn me
And the rain will never
Fall upon a restless soul
Nothing is alone

Nothing is, nothing is, nothing is alone
Nothing is, nothing is, nothing is alone
Nothing is, nothing is, nothing is alone
