"Bleed For Me"

This grain of life I give to you
And all what was you know it's true
Realms of fear they speak the truth
What has passed I hand to you
Bleed for me, I've bled for you
Embrace me child, I'll see you through
Bleed for me, I've bled for you
Embrace me child, I'll see you through
I'll see you
I'll dig the hole, and bow my head
To see you smile, I wish my death
Realms of fear they speak the truth
What has passed I hand to you
Bleed for me, I've bled for you
Embrace me child, I'll see you through
Bleed for me, I've bled for you
Embrace me child, I'll see you through
I'll see you
Bleed for me, I've bled for you
Embrace me child, I'll see you through
Bleed for me, I've bled for you
Embrace me child, I'll see you through
I'll see you
