I backed my car into a cop car the other day  
Well he just drove off sometimes life's okay  
I ran my mouth off a bit too much oh what did I say  
Well you just laughed it off it was all okay

And we'll all float on okay  
And we'll all float on okay  
And we'll all float on okay  
And we'll all float on anyway

Well, a fake Jamaican took every last dime with that  
scam  
It was worth it just to learn from sleight of hand  
Bad news comes don't you worry even when it lands  
Good news will work its way to all them plans  
We both got fired on exactly the same day  
Well we'll float on good news is on the way

And we'll all float on okay  
And we'll all float on okay  
And we'll all float on okay  
And we'll all float on alright  
Already we'll all float on  
Now don't you worry we'll all float on alright  
already we'll all float on alright  
Don't worry we'll all float on

(Alright already)  
And we'll all float on alright  
Already we'll all float on alright  
Don't worry even if things end up a bit too heavy  
We'll all float on alright  
Already we'll all float on alright  
Already we'll all float on okay  
Don't worry we'll all float on  
Even if things get heavy we'll all float on alright  
Already we'll all float on (alright)  
Don't you worry we'll all float on (alright)  
All float on
