If I could have my wasted days back
I'd use them to get back on track
Tried to warn
Karma's burning
Look ahead but keep on turning
Do I have the strength to know how I'll go?
Can I find it inside to do what I should have known?
Can I have my wasted days back?
I'd use them to get back on track
You live it or lie it (James)
You live it or lie it (James)
You live it or lie it (Rob)
You live it or lie it (Rob)
My lifestyle determines my deathstyle
My lifestyle determines my deathstyle

I want out of always being afraid
In this stream of fear that I've made
Treading water full of worry
Frantic-tic-tic-tic-toc of hurry
Do I have the strength to know how I'll go?
Can I find it inside to do what I should have known?
Can I have out of always being afraid?

Rising tide pushes to the other side
