Times have changed and times are strange
Here I come, but I ain't the same
Mama, I'm coming home
Times gone by seem to be
You could have been a better friend to me
Mama, I'm coming home
Took me in and you drove me out
Yeah, you had me hypnotized
Lost and found and turned around
By the fire in your eyes
You made me cry, told me lies,
But I can't stand to say goodbye
Mama, I'm coming home
I could be right, I could be wrong
Hurts so bad, it's been so long
Mama, I'm coming home
Selfish love yeah we're both alone
The ride before a fall
But I'm gonna take this heart of stone
I just got to have it all
I've seen your face a hundred times
Everyday we've been apart
I don't care about the sunshine, yeah
'Cause mama, mama, I'm coming home
I'm coming home
You took me in and you drove me out
Yeah, you had me hypnotized
Lost and found and turned around
By the fire in your eyes
I've seen your face a thousand times
Everyday we've been apart
I don't care about the sunshine, yeah
'Cause mama, mama, I'm coming home
I'm coming home
I'm coming home
I'm coming home
