Your body may be gone.  
I'm gonna carry you in.  
In my head, in my heart, in my soul.  
And maybe we'll get lucky and we'll both live again.  
Well I don't know, I don't know.  
I don't know. Don't think so.  
Well that is that and this is this.  
You tell me what you want and I'll tell you what you get.  
You get away from me.  
You get away from me.  
Collected my belongings and I left the jail.  
Well thanks for the time.  
I needed to think a spell.  
I had to think awhile.  
I had to think awhile.

The ocean breathes salty, won't you carry it in?  
In your head, in your mouth, in your soul.  
And maybe we'll get lucky and we'll both grow old.  
Well I don't know. I don't know.  
I don't know. I hope so.  
Well that is that and this is this.  
You tell me what you want and I'll tell you what you get.  
You get away from me.  
You get away from me.  
Collected my belongings and I left the jail.  
Well thanks for the time, I needed to think a spell.  
I had to think awhile.  
I had to think awhile.

Well that is that and this is this.  
Will you tell me what you saw and I'll tell you what you  
missed, when the ocean met the sky.  
You missed when time and life shook hands and said  
goodbye.  
When the earth folded in on itself.  
For your sake I hope you're really in heaven.  
Are you really there well I won't hold my breath.  
You wasted life, why wouldn't you waste death?  
You wasted life, why wouldn't you waste death?

The ocean breathes salty, won't you carry it in.  
In your head, in your mouth, in your soul.  
The more we move ahead the more we're stuck in  
rewind.  
Well I don't know.  
I don't know.  
I don't know I hope so.  
Well that is that and this is this.  
You tell me what you want and I'll tell you what you get.  
You get away from me.  
You get away from me.  
Collected my belongings and I left the jail.  
Well thanks for the time, I had to think a spell.  
I had to think awhile.  
I had to think awhile.
