"Polar Opposites"

Polar opposites don't push away
It's the same on the weekends as the rest of the days
And I know I should go but I'll probably stay
And that's all you can do about some things
I'm trying to drink away the part of the day
That I cannot sleep away
Two one eyed dogs, they're looking at stereos
Hi-fi Gods try so hard to make their cars low to the
ground
These vibrations oil its teeth
Primer gray is the color when you're done dying
I'm trying to drink away the part of the day
That I cannot sleep away
