"The Four Horsemen"

By the last breath of the fourth winds blow
Better raise your ears
The sound of hooves knock at your door
Lock up your wife and children now
It's time to wield the blade
For now you've got some company
The horsemen drawing nearer
On leather steeds they ride
They've come to take your life
On through the dead of night
With the four horsemen ride
Or choose your fate and die
You have been dying since the day you were born
You know it has all been planned
The quartet of deliverance rides
A sinner once a sinner twice
No need for confession now
Cause now you've got the fight of your life
The horsemen are drawing nearer
On leather steeds they ride
They have come take your life
On through the dead of night
With the four horsemen ride
Or choose your fate and die
Time
Has taken it's toll on you
The lines that crack your face
Famine
Your body it has torn through
Withered in every place
Pestilence
For what you have had to endure
And what you have put others through
Death
Deliverance for you for sure
There is nothing you can do
So gather around young warriors now
And saddle up your steeds
Killing scores with demon swords
Now is the death of doers of wrong
Swing the judgement hammer down

Safely behind armor, blood, guts, and sweat
The horsemen are drawing nearer
On leather steeds they ride
They have come to take your life
On through the dead of night
With the four horsemen ride
Or choose your fate and die
