Do you remember
The southern breakfast treat
Referred to as grits
But it looks like cream of wheat

[chorus:]
Don't bring me down
Please, please
Don't bring me down
[repeat chorus]

Check this
Yo, I know a secret
Too hard not to tell
(Don't bring me down)
If grits was locked up
Gotee would post bail

[repeat chorus x2]

Are you familiar
With the southern breakfast treat
(Don't bring me down)
Referred to as breads
But to me it looks like
Spooky cream of wheat

[repeat chorus x3]
