The dream is fading, now I'm staring at the door
I know it's over cause my feet have hit the cold floor
Check my reflection, I ain't feelin what I see
It's no mystery
Whatever happened to a passion I could live for?
What became of the flame that made me feel more?
And when did I forget that..

Chorus

I was made to love You
I was made to find You
I was made just for You
Made to adore You
I was made to love
And be loved by You
You were here before me
You were waiting on me
And you said you'd keep me
Never would you leave me
I was made to love
And be loved by You

Verse 2

The dream's alive with my eyes opened wide
Back in the ring You've got me swinging for the grand
prize
I feel the haters is spittin vapors on my dreams
But I still believe
I'm reachin out, reachin up, reachin over

I feel a breeze cover me called Jehovah
And Daddy I'm on my way
Cause I was made to love...

Chorus

I was made to love You
I was made just for you Made to adore you
I was made to love and be loved by you

You were here before You were waiting on me

And you said you'd keep
Me never would you leave
I was made to love and be loved by you

Bridge
Anything I would give up for You
Everything, I'd give it all away
(Repeat 3x)

I was made to love You, I was made to love You
I was made to love You, I was made to find you
I was made to love You, Made just for You
I was made to love You, Made just for You
I was made to love You, Made just for You
I was made to love You, I will love by you
